Pressure Sensitive Labels and Tags

Hundreds of stock thermal transfer, direct thermal, paper, polyester, laser and integrated label sizes. If we don't stock it, we can make it for you as a custom label:

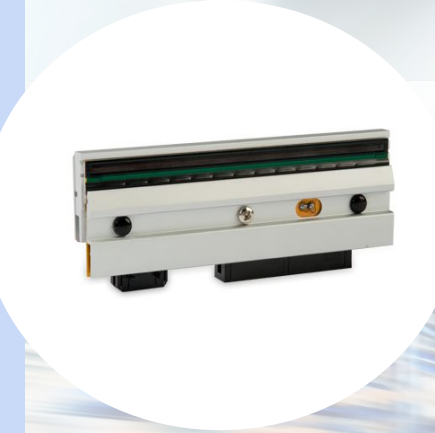

- Four-color process, high end printing
- Custom shapes
- Short run label
- Contact us for more information!

Thermal Transfer Ribbons

Hundreds of sizes available in wax formulations for a variety of general purpose applications, combination wax & resin ribbons for added smudge and smear resistance and full resin formulations for ultimate abrasion and chemical resistance. Compatible with a wide variety of printer models:

- Zebra
- Sato
- Datamax-O'Neil
- Intermec, Monarch and more!

Genuine OEM and OEM Compatible Printheads

StickyPaper offers genuine OEM replacement printheads for Zebra, Datamax, Sato and more. We also partner with replacement printhead suppliers that offer you cost-competitive options and guaranteed to work with your thermal printers and come with a one-year warranty. Ask us about the printer models we support!

StickyPaper also stocks a complete line of shipping supplies and more!
